This Agreement is entered into as of the date of the last signature set forth below between the City of Mulberry and the above named Respondent (hereinafter the "Respondent"). The City of Mulberry and the Respondent are collectively referred to as the "Parties" and may be referred to individually as a Party.

RECITALS

WHEREAS, the Respondent possesses certain confidential trade secret materials that it wishes to disclose to the City of Mulberry for the purpose of responding to a request for qualifications or otherwise conducting business with the City; and

WHEREAS, the City desires to review such materials in order to evaluate the City's interest in negotiating and concluding an agreement for the purchase of certain products and services, or otherwise conducting business with the Respondent.

NOW THEREFORE, in consideration of the mutual promises and premises contained herein, the receipt and sufficiency of which are hereby acknowledged, the City and the Respondent agree as follows:

1. Confidential Materials - The Respondent warrants and represents to the City that the materials described in the attached Exhibit A (the "Confidential Materials") constitute trade secrets as defined by Section 812.081(1)(c), Florida Statutes, or financial statements required by the City for projects as defined in 119.071(1)(c), Florida Statutes. Subject to the terms and conditions of this Agreement, the City agrees not to disclose such Confidential Materials to third parties.

2. Additional Materials - During the course of the negotiations or the business relationship with the City, the Respondent may disclose additional confidential or trade secret information to the District in which case the restrictions and obligations on the use and disclosure of the Confidential Materials imposed by this Agreement shall also apply to such additional information to the extent permitted by Florida law. Any such additional confidential or trade secret information shall be duly marked and stamped "confidential" or "trade secret" prior to delivery to the City, and shall be subject to this Agreement and Section 812.081(2), Florida Statutes, only if written receipt is provided by the City acknowledging receipt of such materials.

3. Exclusions - For purposes of this Agreement, the term "Confidential Materials" does not include the following:

- (a) Information already known or independently developed by the City;
- (b) Information in the public domain through no wrongful act of the City;
- (c) Information received by the City from a third party who was legally free to disclose it;
- (d) Information disclosed by the Respondent to a third party without restriction on disclosure;
- (e) Information disclosed by requirement of law or judicial order, including without limitation Chapter 119 Florida Statutes; or
- (f) Information that is disclosed with the prior written consent of the Respondent, but only to the extent permitted by such consent.

4. Non Disclosure by Respondent - In the event that the City discloses confidential or trade secret information to Respondent, the Respondent agrees to not disclose such information to any third party or copy such information or use it for any purpose not explicitly set forth herein without the City's prior written consent. Further, upon conclusion of discussions or business transactions between the City and the Respondent, or at any time upon request of the City, Respondent agrees to return such information (including any copies) to the City.

5. Duty of Care - Each Party agrees to treat the other Party's confidential or trade secret information with the same degree of care, but not less than reasonable care, as the receiving Party normally takes to preserve and protect its own similar confidential information and to inform its employees of the confidential nature of the disclosing Party's information and of the requirement of nondisclosure. In the event either Party has actual knowledge of a breach of the nondisclosure requirements set forth in this Agreement, the Party acquiring such knowledge shall promptly inform the other Party and assist that Party in curing the disclosure, where possible, and preventing future disclosures.

6. Limitations of Florida Law - Respondent understands and agrees that its assertion that any item is confidential or a trade secret does not, in and of itself, render such material exempt from the Florida Public Records Law, Chapter 119 of the Florida Statutes, and that the City's ability to prevent disclosure of confidential and trade secret information may be subject to determination by a Florida court that such materials qualify for trade secret protection under Florida law. In the event a third party makes a public records request for the Confidential Materials or other materials deemed by Respondent to be confidential or a trade secret, the City may submit the materials to the court for inspection in camera as set forth in Section 119.07(1)(g) Florida Statutes. Respondent further understands that the City may be required to disclose such information if directed by a court of competent jurisdiction.

7. Indemnification by Respondent - In the event of any litigation instituted by a third party to compel the City to disclose materials designated by Respondent as trade secret, Respondent shall, at its sole cost and expense, defend the City, through counsel reasonably acceptable to the City, with respect to its denial of the records request, and shall hold the City harmless from any claim for statutory costs, attorney's fees, both trial and appellate, and costs of suit arising from the City's refusal to disclose such materials.

8. No Additional Obligations - This Agreement shall not be construed in any manner to be an obligation for either Party to enter into any subsequent contract or agreement.

9. Sovereign Immunity. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability, which has been or which may be adopted by the Florida Legislature, regardless of the nature of any claim which may arise, including but not limited to a claim sounding in tort, equity or contract. In no event shall the City be liable for any claim or claims for breach of contract, including without limitation the wrongful disclosure of confidential or trade secret information for an amount which exceeds, individually and collectively, the then current statutory limits of liability for tort claims. Nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim against the City, which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.
